

Certificate No.:

0845 - CPD-232.1192

## **EC-CERTIFICATE OF CONFORMITY**

Issued by Danish Institute of Fire and Security Technology. Notified body No. 0845

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

6295 Enclosed heat detector, class A2S, IP67 (ATEX)

for applications related to automatic fire alarm systems

placed on the market by Panasonic Electric Works

Fire & Security Technology Europe AB

Jungmansgatan 12 SE-211 19 Malmö

Sweden

and produced in the factory Home Amenity & Security Systems Division

Matsushita Electric Works, Ltd. 1048, Kadoma, Kadoma-shi,

Osaka 571-8686

Japan

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Danish Institute of Fire and Security Tecnology (*Dansk Brand- og sikringsteknisk Institut*) has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all the provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN54-5:2000 Fire detection and fire alarm systems – Part 5:

Heat detectors - Point detectors

were applied and that the product fulfils all the prescribed requirements.

The attached 3 annexes forms part of this certificate.

This certificate was first issued on 2009-06-30 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC it selves are not modified significantly.

(The certificate supersedes the previously version of this certificate, issued 2005-08-30.)
